Around the world significant events are rarely celebrated alone. Weddings, birthdays, and graduations are important occasions shared with family and friends. Easter is an even greater event! The death and resurrection of Jesus the Savior and Risen King provide the only way for our restored relationship with God and eternal life in his presence. This is Good News—and people everywhere like to hear good news!

Invite your family and friends to join the celebration as, together, we unite with millions of believers around the world and rejoice in the crucified, buried, and risen Christ!
